**VALHALLA, N.Y., Aug. 21, 2020** – USI Insurance Services (“USI”), a world leader in risk management, employee benefit and retirement plan consulting, has been named a “Top Insurance Workplace” for the third consecutive year by Insurance Business America (IBA). IBA’s annual Top Insurance Workplaces program ranks leading U.S. insurance organizations based on a series of employee satisfaction metrics, including benefits, compensation, culture, employee development and diversity.

“Our third consecutive recognition as one of IBA’s Top Insurance Workplaces is a strong testament to USI’s tremendous 8,000 and growing team members, and their innovation, expertise and connection together as ONE,” stated Michael J. Sicard, USI’s chairman and chief executive officer. “USI’s industry-leading tools and resources, delivered through the USI ONE Advantage®, continue to attract and retain best-in-class industry talent, and we’re continually looking for new and innovative ways to support a diverse and inclusive workplace that is both personally and professionally rewarding for our valued team members.”

IBA’s Top Insurance Workplaces program has a two-phase qualification process, including an employer and an anonymous employee satisfaction survey.
